

CASING SCIENTIFIC TERMS OF USE – PAYPAL INVOICES

*Paypal* Invoicing - Secure & Confidential

*PAYPAL* membership is not required to use this Invoicing System

*Paypal* members are also welcome and may use the full range of payment options in their *Paypal* Account(s)

To generate invoices on the *Paypal* Invoicing System:

1. **Check the *Paypal* Invoice Option on the ORDER FORM.**
2. **Do Not enter your credit card or debit card information.**
3. **Complete the Order Form. Press the SUBMIT button.**
4. **We will transfer your order to the *Paypal* Invoice System. *Paypal* Non-members are welcome.**
5. ***Paypal* Invoice will email the Casing Scientific invoice directly to you with a link.**
6. **Upon receipt, click the *Paypal* Link in the *Paypal* Email. Enter your credit or debit card information.**
7. ***Paypal* will confirm your payment with a Receipt sent to your email address from the *Paypal* website.**
8. **There are no fees to the buyer from *Paypal* or from Casing Scientific. All fees are paid by the Seller. On receipt of payment, the product ships.**
9. All legal volume discounts for product offered in the normal course of business will be honored.

*Paypal* Invoices may only be received from the *Paypal* website at [www.paypal.com](http://www.paypal.com).

Only sales delivered within the Continental United States, Alaska, and Hawaii are included in the program.

If a customer elects to use his or her own Fedex, UPS or other transport account number for the transport charges, whether for Express or Ground service, Casing Scientific will accept such orders and invoice the transaction including freight charges upon receipt of this form.

If you are a member of Paypal, you may pay by credit card, debit card or by electronic check.

If you are a non-member of Paypal, you may use the system with credit or debit cards. Just fill out the Order Form & Submit.

There are no membership fees or costs for Non-Paypal Members that wish to use this invoice system.

Discounts offered herein will conclude on December 31, 2017, at midnight,  
U.S. Central Time
